Education Support Professionals
GAE Annie Hutchison ESP of the Year Award

Education Support Professional (ESP) members are actively involved in the Association – in political action, community organizations, and school restructuring efforts – as partners with their teacher colleagues.

The NEA Representative Assembly approved a special annual honor, the NEA Education Support Professionals Award, to further emphasize the contributions of Education Support Professionals to their schools and communities. The Georgia Association of Educators also recognizes the importance of ESP and recognizes the ESP of the Year at the Spring Representative Assembly. The GAE ESP of the Year then becomes the nominee for the NEA award.

NEA will present the Education Support Professionals award to an NEA member, at the NEA ESP Conference, whose activities reflect the contributions of Education Support Professionals to public education. The Georgia Association of Educators uses the NEA criteria for the selection of the GAE ESP of the Year recipient.

The purpose of the award is to recognize an individual who shows outstanding accomplishments in the following areas:

- Professional Practice
- Advocacy and Association Involvement
- Community Engagement
- Personal Achievement
- Enhancement of ESP Image
